Dear Friend of Historic Prattville,

Prattville Downtown Unlimited (PDU) is an organization founded in 1966 for the purpose of promoting and maintaining our historic downtown for the benefit of all in our city. PDU has worked hard to grow businesses in the downtown area while focusing on preservation and protecting the integrity of our district. Some of the amenities you see downtown can be attributed to our efforts. The banners, the iron trash baskets, the planters and furniture along the Creekwalk were all made possible through our donations.

Every business (retail and service) owner, property owner and interested individual is encouraged to partner with us and become a member, helping us do more for the good of all. Benefits include:

- For Businesses:
- Listing on our PDU website with a link to your business site
 - Group advertising, including *Images* and *The Best*
 - Listing with Mistletoe Market sponsorship
 - Listing with the Halloween Candy Walk sponsorship
 - Listing with the Back To School Street sponsorship
 - Membership banner for display
 - Listing of special sales and activities on PDU website (small additional fee may apply)
- For Property Owners:
- Listing of name on our PDU website (optional)
 - Listing of available commercial property within the Historic District on our PDU website
- For Individuals:
- Listing of name on our PDU website (optional)
 - Membership banner for display

Our meetings are held the first Wednesday of each month at 7:30 AM at the Smith-Byrd House Bed & Breakfast and Tea Room and we will be having some evening meetings to accommodate members who cannot make the Wednesday morning meetings. To learn more, please attend.

New or renewal memberships paid prior to February 28, 2012, qualify for a 10% discount. Others may choose to pay in installments due monthly by bank draft. This plan would not be eligible for the discount. A membership application is enclosed. Checks should be made payable to PDU and mailed with the application.

It has been said the pulse of a community can be measured by the vitality of its downtown. The pulse of Prattville is strong thanks to the efforts of those, who in 1966, took advantage of the opportunity to work together to provide a better future for us. Let us keep the heart beating for those who will follow by continuing to combine our energies and resources for the betterment of all of Prattville.

Yours truly,

David Melling, President
